Re: Roofing job on Little Crawling Stone

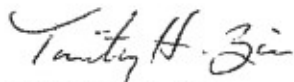

Dear Tom:

It's been over 5 years since you installed the rubber shake roof for me on the Little Crawling Stone job on the Fence Lake Chain. I had a feeling things would go well when you showed up with a smile, and on time.

The quality of your workmanship has stood the test of time, and I offer my congratulations to you and your crew for a job well done!

I wish you the best and would once again like to say, "Thanks!"

Sincerely,

Timothy H. Zier
